BAD BLOOD 'TWIXT MILES AND ALGER

Curious Revelations of the Santiago Campaign.

General of the Army-Miles' Rec-

controvers. Mr. Whelpiey takes occasion to deap the statement that his
recently published interview in Porto
little win General Miles, wherein the
latter was quoted as casting redections
upon the wer department was not genuine, and in support of the statements
aircady made by it, the Star prints interesting telegrams that passed between the wer department and Generals Miles and Shaiter on the points at
lisue.

"Pount is expressed by some," says

General Miles still retained control. He
authorized Shafter to appoint peace
onmissioners, and, judging from
Shafter's report, that all was over, he
instructed him as to the disposition
of the troops.

"July 15, General Shafter wired General Miles that the surrender was not
as complete as was thought, and said:

"Please do not go away with the
refinforcements, as I may yet need
them."

"Miles promptly replied by wire from
Balquiri that the surrender is com-

When General Spatter went to Cuba and General Agles returned to Washington, the latter did not resign his control of the situation, but, on the contrary, kept in as close teach as possible by wire with the SHAFTER IN DESPAIR.

"Headquarters Fifth army corps, in catop near Santiago de Cuba, July 4.— There seems to be no reasonable doubt

cost of very considerable fighting and

eral Garcia, who was to block entrance of Pando, informed him at 19 o'clock that if we intend to reduce Santiago we will have to depend alone upon our own troops, and that we will require twice the number we now have. MESSAGE TO SAMPSON.

T sent a measage to Admiral Samptentions since the destruction of the Spanish squadron, but does not him-self think the fleet should try to go into the harbor of Santiago. This, un-der the circumstances, is not very en-

so far. If we have to go to try and reduce the town, now that the fleet is destroyed, which was stated to be the cluef object of the expedition, there must be no delay in getting large bod-

on is in a terrible condition here until noon of the ath, and I sup-pose I can put them off a little longer to enable people to get out. Country here is destitute of food or growing

crops, except mangoes.

"Men are in good spirits, though it is hard to tell how long the latter will.

I um serry to say I am no better, and, in addition to my weakness, can-not boot on account of the slight at-tack of gout, but hope to be better soon. Lieutenant Miley had interview with consuls this morning and his rewill be telegraphed immediately. as time

"'Major General Commanding.'
"General' Miles sailed for Cuba. On
July 11, at noon, he reported his safe
arrival to the war department, and at

Shafter Weak and Vacillating, Ready to Give Up In Despair.

War Correspondent Whelpley Interviewed General Miles In Porto Rico-Straight Talk From the Mar department communicated with him direct, not even municated with him direct, not even dispatches. The following dispatches

issue.

"Doubt is expressed by some," says Mr. Whether, 'as to whether General Miles said these things I credit him with. Others suggest he may have said them in confidence, which was betrayed. I feel confident," continues the correspondent, "Ceneral Miles will stand by the interview referred to.

A STRAIGHT INTERVIEW.

"Miles promptly replied by wire from Balquiri that the surrender is complete, and the Spaniards 'must surrender,' and the Spaniards 'must su

which he would have answered had this not been so. There was no hint of confidences. In this firstance, however, no question of verteilty need arise. General Miles himself, even if he so desired could not conceal the proof of all to said. It is arisen in the records of the war department, and it only needs a clouding away of inconsequential motion to tell the story clearly and in full."

The Star article says: "That General Miles was in command of the entire army when in Washington was of course, evident That he did not resign this supreme command of the entire army when he went to Tampa, and that it was he who was treating with the Cubans for co-operation in Cuba. Is shown by noncercus telegrams exchanged with General Staffer went to the was in Tampa, for June 12 a telegram was sent to him from Washington, which begins:

"The following extract of telegram from Admiral Sampson to secretary of many in repeated for your information, etc.

"When General Shaffer went to Cuba and General Miles returned to Washington, the latter did not agreed with Secretary Alger says:

"As soon as Santiago falls the troops must all be put in camp as compounded arise, can be made and remain a tempose, until the fever has had its run.'

DISAGREES WITH ALGER.

"Miles did not agree with Secretary Alger says:

"Miles Secretary Alger says:

"As soon as Santiago falls the troops must all be put in camp as compounded arise, can be made and remain a tempose, until the fever has had its run.'

DISAGREES WITH ALGER.

"Miles did not agree with Secretary Alger says:

"Sate of the vary of the one of arise arise for July 11, 1s at letter airmet, you feel the story and the five arise of a soon as possible. July 11, 1s at letter airmet, you feel the story of the entire army to the United States as soon as possible. July 11, 1s as soon as possible. July 11, 1s as soon as possible did not agreed with Secretary and the fever has had its run.'

"Electer and orders in reference to movement of camp received and will be carried on the control of the contr will invaish the information called for as to the condition of command to Gil-more, adjutant general, army head-

quarters, "SHAFTER, Major General." MILES TO SHAFTER.

"On the Fourth of July General piled as follows:
Shafter sent the following dispatches to Washington, addressed to the additional general:

"General Mines very products of Playa del Pste, July 18, 1898 (Guantinana general:
"General Shafter: "Telegram received: have no desire and have carefully avoided any appearmand, having been duly assigned there lions as I thought best concerning mi-itary matters, and especially directed to go to Santiago for a specific purpose. You will also notice that the order of the secretary of war of July 13 left the matter to my discretion. I should regret that any event should cause either yourself or any part of your command to cease to be a part of mine. Very truly yours.

Very truly yours. "NELSON A. MILES, " 'Major Ceneral Commanding United

States Army."
"General Miles then gave General Shafter final instruction and left hurrically for Porto Rico for reasons alreidy knewn to the readers of the Star. In view of the situation, as revealed by the above telegrams, the following statement, contained in the New York Herald of recent date, is quoted:

"If my cablegram to Major General Shafter informing him that Major General Miles was not sent to super

REMARKABLE STATEMENT.

prevented the storming of the city on the day of its surrender and resulted in the saving of lives which otherwise would have been lost in the attrack, then I am repaid for sending it a thou-This statement was made sand-tood. This statement was made to me this afternoon by Secretary Alger apropose of the publication in the Herald of yesterday, setting forth the dolings of Major General Miles during his brief stay in Cuba. The secretary told me he did not propose to enter into any controversy regarding the Santiago campaign with anybody. The results specks for themselves, and they were a sufficient justification for the policy sufficient justification for the policy which had been pursued by the war department in the conduct of the opera-

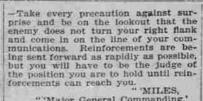

"'My cablegram to General Shafter,' he continued, 'was simply due to my desires to assure him that I intended to be absolutely fair. Before his departure from Washington, General Miles and I had talked the matter over. and he started for Cuba knowing that he was not in any way to interfere with the operations which were under the control of General Shafter. That there MILES IN CUBA.

"It was this situation which determined General Miles to go to Cuba.
The day he sailed with reinforcements, July", he send the following dispatch duy he sailed with reinforcements, y 7, he sent the following dispatch in Washington:
